# DISCLOSURE OF REPRESENTATION & RESCISSION PERIOD

*If this property suits your needs, please note that as I am the listing Realtor, I cannot provide you with client services, and if you require client services I am obligated to advise you to seek independent professional advice”.*

*To help you understand what that means for you, I would like to go over the brochure right below this notice.*

*Thank you very much for your understanding!*

## Not a Client? Know the Risks

Real estate professionals have a regulatory requirement to present you with this consumer information.

This information from BC Financial Services Authority explains the risks of working with a real estate professional who is already representing a client in the same transaction.

We recommend that you seek independent representation in this real estate transaction.

### BE CAUTIOUS.

The real estate professional who gave you this form is already representing a client in this transaction. They owe a duty of loyalty to that client and must work in that client's best interests. They cannot represent you or work in your interests in this transaction.

**This real estate professional must tell their client any relevant information you share with them.** For example, if disclosed by you, they must share the following information:

- your reasons for buying, selling or leasing
- your minimum/maximum price
- any preferred terms and conditions you may want to include in a contract

Only share information that you are comfortable being disclosed to the other party in this transaction.

**This real estate professional can only provide you very limited services.** Because this real estate professional must be loyal to their client and work in their client's interest, they can only give you limited assistance.

#### THEY CANNOT:

- ✗ give you advice on an appropriate price
- ✗ give you advice about any terms and conditions to include in a contract
- ✗ negotiate on your behalf
- ✗ share any of their client's confidential information with you, like:
  - their minimum/maximum price
  - their reason for buying/selling/leasing.
- ✗ protect your confidential information

#### THEY CAN:

- ✓ share general information and real estate statistics
- ✓ show a property and provide factual information about the property
- ✓ provide you with standard real estate forms and contracts
- ✓ fill out a standard real estate contract
- ✓ communicate your messages and present your offers to their client

**BC Financial Services Authority** is the legislated regulatory agency that works to ensure real estate professionals have the skills and knowledge to provide you with a high standard of service. All real estate professionals must follow rules that help protect consumers, like you. We're here to help you understand your rights as a real estate consumer.

**Keep this information page for your reference.**

## The Real Estate Home Buyer Rescission Period

Under section 42 of the Property Law Act, buyers of residential real property are entitled to rescind (cancel) a Contract of Purchase and Sale by serving a written notice on the seller withing the prescribed period and in the prescribed manner. The ability to cancel is called a rescission right.

A buyer cannot waive their rescission right.

A buyer may only exercise their rescission right by serving written notice on the seller within the three (3) business days after the date on which the acceptance of the offer was signed.

“Business days” means any day other than a Saturday, a Sunday, or a holiday in British Columbia.
